FINDING THE EXTRAORDINARY IN THE ORDINARY

30 photos for your Instagram and website

HOW IT WORKS

Over the course of time spent with you, I will be taking photos of your life and business. They will be taken with high quality, professional grade Canon equipment. These photos will make your story come to life, bring faces to names, and shed light on behind-the-scenes, bridging the gap between your industry and the public.

WHAT YOU GET

We can talk about what your company needs the most. Head shots? Products? Storefront? Lifestyle? All of the above? Let's focus on what matters!!

DELIVERY

Your photos will be professionally retouched and delivered in an online album that you can be instantly downloaded to your computer. Photos usually delivered within 2 weeks after shooting.
