

WEDDINGS

ALWAYS WITH PASSION

HOW TO BOOK

Send me a message and let's start with seeing if I have your date open!

WHAT TO EXPECT

After we talk about what works for everyone and get the day booked- I will mail you a care package with all the extra info you will need!

WORKING TOGETHER

I will be your personal photojournalist for the day but the best part is walking away as friends and getting to re live these memories as soon as I get the pics downloaded, edited and sent you via an online album!
